Toronto, March 30th, 1920.

Sir Robt. Falconer, K.C.M.G., etc.,
President,
University of Toronto.

Dear Sir:

I am writing you on behalf of Mr. J. H. Challacombe, who enlisted with the C.E.F. in April, 1915, and served in France. Prior to enlistment he held a position for two years as electrician of the School of Practical Science under Professor H. H. Price, and upon his return applied to Professor Price that he might be re-instated, understanding that you were good enough to state that all men who had enlisted and proceeded overseas would be reinstated upon their return, to their old positions. He, however, was informed that owing to his position being already filled his application could not be considered.

We understand that two men who hold such appointments and have not seen overseas service are on the permanent staff, one of these filling the position that Mr. Challacombe vacated on enlistment.

I would esteem it a favour if you would be good enough to give this your favourable consideration, and thanking you in anticipation, beg to remain,

Yours very truly,

(Sgd.) J. V. Conroy

Secretary G.W.V.A. (Toronto District).
